PENTECOST IN SAN DIEGO.
San Diego, Cal., Nov. 2.
We are praising God for victory in
1910. Bro. Love and I came down
Thursday to see if the Lord was go-
ing to take out a people for Him-
self by the sea. On arriving in
San Diego we were not long in finding
out that we were not alone. Bro.
and brother, Geo. Reilly, who
was tarrying for the Pentecost,
pointed a meeting at his house the
next day and he was gloriously baptized
in Holy Ghost and spoke with tongue
of fire. The next evening and

and their Feast with Hallelujah! The Lord had a plan upon her. He was to open up a new way for her. He had secured the victory and we had it ready for service by any night. The angel came on the scene. He killed the serpent, the devil, the most wonderful setting scene was created and sanctified and blessed. Interest is increasing. Some under the power of the Holy Spirit, mighty conviction of the people. We have the Lord walks Azusa Street duplicated in this city. We expect here till the Lord says, "Flee from here." He has answered us that.

PENTECOST IN SAN JOSE

They are having a real old time at the revival in San Jose, California. It is stirred and doing his best to get the fire, but he just knows his own mind. We have heard the funeral of the Gospel preached, the power of nobody unto nothing, now we are preaching the power of God unto salvation.

One came here that had been suffering for years in body, and was healed by the power of God while in the meeting without even asking for prayers.

A brother testified, "Last week I came in a backslider and half drunk and the Lord forgave my backsliding right in my season and a few days afterward, He sanctified me and baptized me with the Holy Ghost."

The Lord is using Bro. E. McCauley to push the work there.

It was God's eternal purpose that Jesus should be born in a humble place. No place is too humble for Jesus to dwell in. He poured out His Spirit in the humblest meeting place in Los Angeles, that no Christian should glory in His presence.

meeting we had with the people was beside the train that brought us away. Under the third tree was where the Lord used me last in that city. He sang and preached through me and some confessed their sins and asked, what shall I do to be saved? Some promised to live a better life. O glory to Jesus. While on the train, we preached the Word and some received it with joy.

texts were interpreted messagely, "Now is the accepted time, now is the day of salvation." "He that believeth and is baptized shall be saved; but he that believeth not shall be damned. And these signs shall follow them that believe: In my name shall they cast out devils; they shall speak with new tongues; they shall take up serpents; and if they drink any deadly thing, it shall

Bro. C. W. Batman writes from New York City, "We have been having great meetings in the little mission here. Many souls have

A late report from Bro. Junk of Seattle, Wash., says, "We have been greatly blessed here. About 24 or 25 souls have been baptized, among them are about eight children from seven to fourteen years of age. The devil is raging terribly."

and amazed at the miracles God is doing. A preacher who has been on the investigating order, heard a sister from Washington speak in Hindustani, which he was enough acquainted with to understand some of the words and it convinced him of the genuineness of the work.

The devil says he has no lake of fire though sinners, skeptics, and ungodly preachers all are trying to find consolation in the doctrines of no hell, sanctification, and universalism. But God says in Rev. 20: 10 that there is a lake of fire. Jesus warned us of hell. Madise in Greek and Gehennae in Hebrew mean "lake of fire." What can we do but believe *the Word*?

come, for all the signs are following. (God is pouring out His Spirit upon His sons and daughters and giving dreams and visions speaking in tongues. A woman who has been an invalid for 18 years is walking and shouting and praising God. The blind have received their sight. Missionaries are going out without purse or scrip. Everything is pointing toward the coming of the Son of Man.)

The great Shokina glory is still resting upon us as a pillar of fire by night and a pillar of cloud by day, where hundreds and thousands of souls have come and been blessed through the mighty power of our blessed Lord. Hungry and thirsty souls are coming from hundreds and thousands of villages.

People from thousands of miles have been coming to Los Angeles to get into the rivers of salvation. John saw a River flowing out of the throne of God, and the

Lamb, and on either side of that river was the tree of life. We can get the fruit on either side of the river, but we have to swim to get it. If you want this great blessing, you must launch out by faith into the river. It is a very sweet thing to be where the rivers are flowing.

crucified, nailed to the cross of Christ. Oh, things have passed away, the old man is crucified, slain, and Jesus Christ is enthroned in the heart and crowned within.

commenced seeking the baptism with the Holy Ghost. And, glory to God, He came and completely deluged my soul and body, until I hardly knew whether I was in the body or out. And as the Holy Ghost came upon me, I saw Jesus sitting upon a cloud looking at me and at the congregation, and He said He was coming soon. My tongue commenced to move, and I spoke in an in-

known tongue as the Spirit gave utterance. In prayer I often speak in a foreign tongue and at home or in meeting, I often am moved to speak in tongues. Bless God! Glory!—Mrs. Mary P. Perkins.

If you are not healed, the fault is either in you or in Jesus Christ. Which is it? Be honest with yourself and get the fault out of

the way. Get rid of the cause. There is nothing else to stop my healing but myself. God is not a moment behind in doing his work.

Bro. G. B. Cashwell who came from North Carolina for his Pentecost, has returned on his way rejoicing to carry the good news of the Pentecost to the hungry souls there.

He had faith in God that the money would be provided for his fare to Jerusalem, and the Lord provided it and he trusted the Lord for a suit of clothes and the Lord gave him a suit. So the trip was one of faith and the Lord made it a great blessing.

She was silently praying and she began to sing in an unknown tongue, "Where life leads me, I will follow." Then she was filled with great joy and said her name was written in heaven and she was sealed unto the day of redemption.

We are receiving letters from all over the world, requesting prayers that they might receive their Pentecost and also healing. And almost every day we are getting re-

terms that prayer has been heard. Handkerchiefs are sent to letters to be anointed and used for healing, and we do so, and bless God. He hears and answers prayer. One instance comes to our mind now of a little baby about a year old, who was very sick with a high fever. The parents sent a handkerchief to be prayed over. It was blessed and sent back, and when it was laid

On the child's face, almost immediately the fever left her, and in a half hour it was playing around and well. Praise our Christ for His matchless power.

Every child is born with inherited sin in its heart like a little plant. When a sinner comes to Christ and gets saved, the fruits of sin are cut off and the fruits of the Spirit

appear. But the stamp of the sin plant is still there and will give us trouble. The best thing to do is to get the old stamp out. Then we have a pure heart like Adam before he went into sin. Then we can pray for the baptism with the Holy Spirit, which is a gift from God.
