In Toronto, Canada:

The Lord is wonderfully blessing His work in 661 Geneva Street, IL Toronto. For five months it has gone on without a pause. Nearly 100 people are in the congregation. The Holy Ghost, speaking in tongues. For the last 3 weeks, people have come out from here to preach the Gospel in other cities. Last Sunday we had a glorious time all day, and the next afternoon service, when the power of God poured out, and the people came upon many at the altar. The whole church was in a state of great excitement, one turning their seats and getting down before the Lord. One brother who began to pray, said, "This is glory, glory!" exclaiming: "This is glory, glory, glory!" and before he had got through a sister rose up and said, "This is glory, glory, glory!" saying: "This is glory, glory, glory." A spirit of great rejoicing filled everyone. It was a wonderful service. The Lord is doing great things. A band of workers from this mission went to a place just outside the city of Toronto, and there they were preaching. God came down upon the people. We have heard of the Lord's power upon the people in that district - "glory, glory, glory!"

March 25.—"Some of the Lord's people have received their Pentecost and spoken in tongues. Glory! A red hot meeting is going on. Bro. Fulford, who has the gift of tongues, is leading it under the direction of the Holy Ghost. The saints are being baptized with the Spirit. I too have received him and have spoken in some kind of a language, I know not what. It is glorious here now. What we are not praying for is to have the nine gifts of the Spirit; are we not all operation. This city has been mightily stirred on account of the tongues. Nearly all the whole of North Carolina is being stirred among the Holiness people, white and colored.—W. L. Fisher, Box 238.

April 26—"God is meeting us here in some very marked ways. Many have gotten clean from the stain of sin, sanctification. The blackbirds came back last evening, eight o'clock. The birds of Pentecost, five have gotten through. The town is stirred. They say it is a work of the devil, and fight me out, but, what victory God gives in the midst of the preachers turn out well to these meetings. I have seen some of the old sinners point them out to me afterward, and say that it is very honest. The Free Methodist preacher confessed yesterday he was no sanctified. I think he will soon get something. He said he was afraid to say anything about this movement. He knows God

April 6.—"Oh, I praise God for the gift of the Spirit. There were some seeking it on the west side here, and when it came, some of them were so overcome that they fell down. I was simple enough to take God at His Word, and two of us received our Pentecost. I received it February 22. Blessed be God. There was a little preacher that used to visit Akron, and he received it at Dayton, Ohio. There are about 25 have received Pentecost throughout this city. I have seen them all, and I am glad using him. God picked him up a drunk, a gambler and saved and sanctified him. He has been out preaching, and when he talks at the Pentecost most of the church people are rejected him. We are going through hard persecution and we are having a time. I get a glimpse to worship; but we are bold. We are not only babies, but our God is able and we are trusting Him."—Della Powell, 392 Springfield Ave.

Praise God! The fire still burns, sinners
 running home to God, believers being sancti-
 fied and baptized with the Holy Ghost,
 and with the precious tongue as the Spirit
 gives them their place in the Kingdom of
 grace. The first of the joyous

 commemorated the anniversary of the Pen-
 tential outpouring in California. We had a
 most blessed and victorious day. Hallelu-
 jah! The Holy Spirit was poured out and
 clothed, and glorious deliverance came
 some precious souls. The tide is rising
 ever higher, the conviction grows
 deeper and deeper, and the way growing
 better day by day. Oh, Glory! Hallelu-
 jah! This tide is rising on to the sure
 and glorious victory through the precious
 blood of the Lamb.—F. B. Hill.

738 14th street, April 6.—The dear Lord is wonderfully blessing the work here in San Diego. Last night we had a powerful meeting; two were slain under the power of God, and others received their Pentecost with the Bible evidence. Sinners were crying to God for mercy, and the saints were wonderfully blessed.—G. H. Radtke.

many and hundreds have received their Pentecost with signs following. Praise the Lord. Many have been blessed. There is much to do every day. Many seekers after God. Over a hundred at the altar some meetings. A few interpret what they speak in tongues, and even myself. One has interpreted these words, "Be ye separated from the world, for ye may be of the world," and "Abide in My love, that ye may have the love of the Father and the Son, and that the Father may dwell in you." The Lord has supplied all my needs. Glory to God.

Many churches have been stirred up here. I expect greater things yet. A few who can read the Bible, are glad to read it and are getting blessed by it. I love to all the saints.—Andrew G. Johnson.

April 19th.—The Lord is working here in Bellevue. People are being healed, devils are being cast out in Jesus' name. People are being baptized with the Holy Ghost and speaking with other tongues.—J. F. Mitchell.

In Bellingham, Wash., the Pentecost has fallen, quite a number have received the baptism and they have a mission of their own. Fourteen converts have been baptized in the bay.

Davis and Anne street, April 28.—The Lord has been working wonderfully here the past two weeks. Souls have been justified, sanctified, and are receiving the baptism with the Holy Ghost. One who was a sinner was healed in our meeting and the next night got saved. Her mother got healed and received the Holy Ghost all at the same time. Praise the Lord for victory.—F. W. Williams

Alvin, B. C., April 19.—My wife and have been in six wonderful meetings of late in which quite a number of saints have received the baptism with the Holy Ghost, and all spoke with other tongues. Backsliders are being reclaimed, and some honest souls being healed. Quite a lot of sick persons being healed, and also some demon-possessed persons are being delivered in Jesus' name from the power of Satan. Glory to God!—F. M. Britton.

April 10.—God is having His way with many of His children in this part of the country. A great many, in the midst of much opposition, are being baptized with the Holy Spirit and speaking in tongues, among them a number of young people and children. The work is spreading in and about Pittsburg and Allegheny, in Homestead, Braddock, McKeesport, and other places in this vicinity.—J. T. Boddy, pastor

425 N. Pine street, April 13.—We are in the midst of a glorious meeting in this city. Ten have received Panteost with the Bible evidence of speaking in tongues, and a number have been saved and sanctified. God has enabled us to create a widespread interest throughout the city, and the opposition is forming in a very formidable way. We know that our God is able to deliver. We are going forward in simple faith in

216 E. Stockton Ave., April 15.—Join with us in praising Him for the outpouring of God's Spirit in Pentecostal power in the district of Pittsburgh, Pa. We had heard of God's outpouring all over the world, so we began to seek for God's best for ourselves. I saw that power came only through heart

purity, so I yielded myself up to God's searching power and got a glimpse of "Calvary;" and then, praise God, the power fell with the signs following. Pentecost first fell in the third week of January and is still going on. Hallelujah. Almost every meeting there are some prostrated under the power and coming through. Almost every one that speaks in tongues gets the message that Jesus, is coming soon. He is just the same yesterday today and forever.—M. R.

March 18.—We are just holding up Jesus before this people, and God is doing the rest. We had quite a scene at the altar this morning. A man named John, who was kneeling at the altar was picked up by demon power, thrown over the altar rail on his head, and when we commanded him to come out of him they barked at us and said that they would not come out of him, but they were cast out in the Name of Jesus and the man was set free. A Salvation Army captain has received his Fenderburg. He has been here for some time to labor with the Apostolic Faith Movement. We are believing for a great work on the islands. Jesus is coming very soon. Hallelujah!—H. M. and A. H. Turney

Monrovia, Liberia, Mar. 25.—We opened a ten days' meeting in a school house, and on the tenth night, the Lord came in mighty power. The church was filled with the Holy Ghost and spoke in tongues. Ten here have received sanctification, and five are filled with the Holy Spirit, and speaking in tongues. A brother and his household have been baptized with the Holy Ghost. God has called him to the ministry and he will be ordained in a few days. There will have been holding meetings going on three months. The Lord is sending a crowd of workers to this country, and the church is working wonderfully with them. The house is filled with the natives every evening, and they are being saved and sanctified and filled with the Holy Spirit. There is all manner of diseases. The Lord surely is working with the native Africans of this

these blessed spirits. We can read nothing
little glorious things in your midst and else-
where. The reading of it has intensified
the deep heart of me in the few living
upon God and seeking our Personal Peni-
tence here. A dear sister here, a mother of
three, has been reading it for some time
and God sought the baptism with the Holy

He came and she was baptized with the Holy

The next day while at prayer, I being with
her, she had a mighty anointing and has
received two or three times since. She died
on January 8. She could not give utterance
to the raptures of her soul in praying
and praising God. She was a true saint,
sometimes in a loud voice praising and
adoring Him in a new tongue. Glory to His

 been sent. The Spirit is giving the interpre-

 other wonderful manifestations of His pres-

 He is here! He is here! He is here!
 I cannot tell you how the Word is
 spreading. Have never seen a meeting in my
 life. The Word is spreading. We are
 powerful on his blessed Word. We are among
 faithful teachers, and they have the Word so
 beloved above; but now the Spirit is putting
 the Word into the hearts of the people to
 behold. Praise our precious Christ.
 God has put quite a burden on my heart
 to go on. The Spirit has been
 preached through my soul for hundreds
 until the pain was like travelling. Oh how
 we are for His working with us
 in this world.

We enjoy the paper very much, in fact, much of it is read in the meetings, and all rejoice. The little paper was a forerunner for us. We came to find that its contents were God's children hungry for the light to come to India, and while we at first found we found some waiting for the Pontaboot. We found India ripe for this light, in fact the revival had already broken out among the natives, and some were speaking in tongues.

We learn that the power has broken out at Rumea, and in London.—Sister A. G. Harr.

 to God and praise His Holy name for ever-
 more. Glory to God for victory through
 His Blood. Christ has been slain for us.
 Christ and glad for what He has been doing
 in Sweden. The Lord has wonderfully
 kept me every day. Praise the Lord! Glory
 to God, the Father, the Son, and the Holy
 Spirit. I have received the Holy Ghost with signs
 following, and a few hundred have been
 saved, many getting a clean heart. Some
 have been healed of their diseases. Many
 have received the Holy Ghost. I have
 realized to many places and the cry for help
 comes from all over Sweden. I am very
 busy every day going from place to place.
 I have written to many people. I have
 sent out many letters. I have written to
 you, and, writing in the papers over
 to you, God, my King, for that. Glory!

Tell the saints to love one another and
keep united in love, and under the Blood
every day, and humble. I am with you
every day in the Spirit and praying for you
all. Glory to my King for victory! God's
people are going to be one soon. Glory!
